

All of our food is cooked to order, so we ask our customers to be patient at busy times.

Locally Sourced Products

We are proud to locally source as much as possible - our meat from local butchers here in town, our bread proudly made by Adrian at No 33, our milk from Gundenham Dairy near Wellington, our ice cream from Langage Farm, fruit drinks from Luscombe in Buckfastleigh and we also support local brewers of beer and cider to name but a few of our products.

All our cakes and desserts lovingly made here on site using only the best local and British products where possible.
